Many thanks for consulting the Woodland Trust on plans to produce a neighbourhood plan for the Parish of Wolston.

The Woodland Trust is very supportive of the concept of neighbourhood planning as an important mechanism for embedding trees into local communities, as such we are very keen to see these plans progress. We would like to take this opportunity to draw your attention to the Woodland Trust's neighbourhood planning microsite: <https://www.woodlandtrust.org.uk/campaigning/neighbourhood-planning/> this site sets out how woods and trees can help communities meet the aims of their plans.

If I can be of any assistance please do not hesitate to get in touch, I would be more than happy to discuss this further with you.

Kind regards

Victoria
